Pickett wrote eight books, the most influential of which was Christian Mass Movements in India. This work was the most ambitious survey of its kind outside of the West. It laid the foundation for the ideas of church growth pioneer Donald McGavran, who called it the “missiological book of the century”.

Growth Groups Define Us . Because of the unique structure and history of Faith Bible Church, it is appropriate to think of our body as a church of Growth Groups, not a church with Growth Groups. We would not be able to function the way God has called us to function as a church without an effective and thriving growth group ministry.

22. W. C. Pickett also defined the group conversion movement towards Christianity as a reception of the outcastes or untouchables into Church. It can be defined as the transformation of the small groups or conversion of the whole populace. In simple word, the mass movement conversion is either a small or large group movement towards Christianity. 15

Case study from Malaysia: Group conversion -- a whole village wants to be baptized A case study designed to help hone critical thinking and decision-making in cross-cultural situations Mark looked at the chief and elders before him and at the more than two hundred men, women, and children crowding behind them.

~~Christian missions case study: Group conversion~~

Growth of religion is the spread of religions and the increase of religious adherents around the world. Statistics commonly measure the absolute number of adherents, the percentage of the absolute growth per year, and the growth of the number of converts in the world. Such forecasts cannot be validated empirically and remain contentious, but are useful for comparisons.
